Republic of the Union of Myanmar
Ministry of Labour, Immigration and Population (“MOLIP”)

ANNOUNCEMENT
FOR FACTORIES, WORKPLACES AND ESTABLISHMENTS
COMPLIANCE IN RESPECT OF COVID-19
19 APRIL 2020

1. With the objective of control of and protection against the COVID-19 pandemic, factories and workplaces throughout the Union of Myanmar will be allowed to open only after complying with and performing according to the advice and stipulations of the Ministry of Health and Sports (“MOHS”).

2. Therefore, combined expert teams from MOHS and MOLIP will be conducting inspections of relevant factories, workplaces, establishments during the 2020-APR-20 to 2020-APR-30, and [they] will be allowed to re-open only after they meet stipulated criteria.

3. The inspections will be carried out in the following order of precedence:
   a. pharmaceutical enterprises;
   b. foodstuff enterprises;
   c. factories, workplaces and establishments which meet health [& safety] requirements and are ready to re-open;
   d. factories and workplaces with 1,000 or more workers.
   e. other factories, workplaces and establishments.
